APRIL 2024 EDITION

SALLY J. PIMENTEL DEAF AND HARD OF HEARING "LUNCH & LEARN"

Executive Director of the Sally J. Pimentel Deaf and Hard of Hearing Center, Amy Turner, addressed a full-house at the LCSO Community Outreach Center at Miromar Outlets and shared her wealth of knowledge regarding hearing loss, the stigma associated with being unable to hear ordinary conversations and the services that are available to assist those suffering from deafness and/or hearing loss.

An extraordinary lunch was generously provided by Caffe' da Michele Osteria Italiana at

Miromar Outlets, for which we are extremely grateful!

Through education and advocacy, the Deaf & Hard of Hearing Center has been diligently serving the residents of Southwest Florida since 1983.

For information regarding their services, please call 239-461-0334 or email info@dhhc.life or visit their website at dhhc.life.

VOCATIONAL TOUR

Lee County High School Criminal Justice students had a rare, but amazing, opportunity to venture deep inside the Lee County Sheriff's Office...an opportunity to gather valuable information regarding the process of policing...responding, investigating and ultimately incarcerating those responsible for committing offenses in Lee County.

Sheriff Carmine Marceno is enthusiastic about educating students with a serious interest in working in any capacity of the criminal justice system.

Additionally, the Lee County Sheriff's Office offers a remarkable "Explorers" program for boys and girls, ages 14-20, with an interest in a career in law enforcement.

TOUR BEYOND THE DOORS

Keeping Lee County residents in the know and up-to-date regarding the Lee County Sheriff's Office assets, technologies and operations has been, and continues to be, a priority for Sheriff Carmine Marceno.

In an effort to protect our residents and their property, our agency works diligently to remain on the cutting-edge of law-enforcement technology.

The "Tour Beyond the Doors" events allow Lee County residents an opportunity to enter our facility and see these technologies at work.

Our next "Tour Beyond the Doors" event will be held on Wednesday, May 8, 2024.

Registration is required. Seating is limited!

To register, please visit sheriffleefl.org/tour/.

"PICS FOR PAWS"

When the Lee County Sheriff's Office Community Response Unit learned of a local event geared towards raising funds for the Gulf Coast Humane Society, we quickly agreed to join in on the fun.

Hosted by the "Health Pooch" at Miromar Outlets, guests brought their pooches for their annual Easter photographs and some home-made doggie treats.

Supporting our local animal shelters, for the unimaginable and incredible work that they do for our county's homeless pets, is the very least that the Lee County Sheriff's Office can do. We'll just let the photos speak for themselves.

COFFEE WITH A COP AT COCONUT

Many of us need a dose of caffeine first thing in the morning and, enjoying it while chatting with a Lee County Deputy, is a good way to start the day.

Starbucks, located at Coconut Point, graciously hosts our "Coffee with a Cop" events in Estero.

"Coffee with a Cop" events remain popular as they allow residents and visitors to interact with law enforcement in a friendly and casual manner and to ask questions regarding just about anything!

COOKIES!

Girl Scout Troop 482...one of two Girl Scout troops that hold bi-monthly meetings at the Lee County Sheriff's Office Community Outreach Center at Miromar Outlets...generously donated Girl Scout cookies to the Lee County Sheriff's Office.

Isabella Ramirez, one of our Outreach Coordinators and once a Girl Scout, proudly and graciously accepted the delectable baked treats from Troop 482.

R.E.A.D.Y. WOMEN'S SELF-DEFENSE

A class consisting of both lecture and basic, hands-on training, the Lee County Sheriff's Office R.E.A.D.Y. Women's Self-Defense class prepares ladies, age 13 and up, to understand "situational awareness" and the value of an assertive presence.

R.E.A.D.Y. is offered at several of the LCSO community outreach centers and is generally held monthly.

For additional information regarding R.E.A.D.Y. and the registration process, please call 239-477-1CRU.

Being R.E.A.D.Y. makes all of the difference!

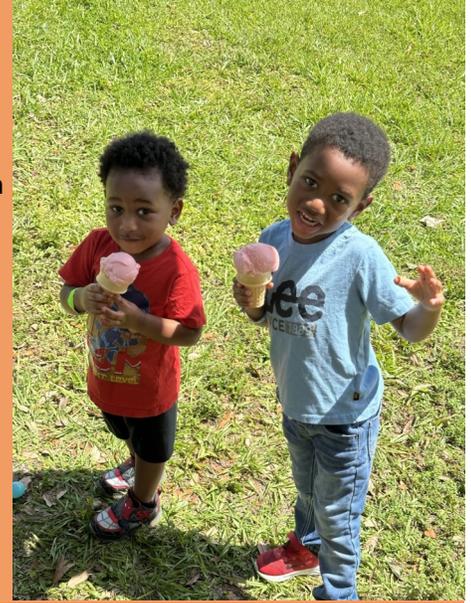

A DAY IN THE PARK...

Many of us look back to moments in our childhood that evoke feelings of happiness...moments of stress-free innocence that disappear as we age.

It brings pleasure to Lee County Sheriff's Office staff when they are able to perhaps create such a moment for a child.

The LCSO Ice Cream Response Team scooped over 150 ice cream cones for guests attending the Velasco Village Annual Easter Egg Hunt at McCutcheon Park in Fort Myers.

LIEUTENANT HOPE GOES TO SCHOOL...

Always wishing to improve herself, Lieutenant Hope decided to attend school...even if just for the day.

Our furry ambassador, along with the Lee County Sheriff's Office Animal Cruelty Task Force, paid a visit to Gulf Elementary

School in Cape Coral.

Lieutenant Hope and the task force devote significant time to educating students about the importance of the protection of animals as well as discussing the necessity for individuals to respect pets and all living things.

FUN AT THE OUTREACH CENTER

Residents, tourists and guests stroll into our many community outreach centers on a daily basis.

Some require information related to the sheriff's office. Some express concerns. Others just wish to say "hello" and to be a bit goofy.

Admittedly, those are our favorites!
